

KNITTED OIL ONLY PILLOWS

PRODUCT

Our Oil Only pillows are white in colour and are made from a knitted outer layer, with a hydrophobic absorbent and a stitched side wall. Specifically designed to repel water and absorb oil only liquids, such as Diesel, Petrol, Cooking Oil etc.

Pillows are used to catch spills under machinery or where drops and leaks are a problem. They are also ideal for absorbing spills in difficult to access places or where pooling of a spill has occurred.
